EXPERIENCE

Web Developer | Girl Power Talk, Mohali *(Oct '22 - present)*

- Leading Full Stack Development and building modern web pages, web apps and complete websites using modern technologies like Next.js, Typescript, Tailwind, Node.js, Postgres, Prisma and more.

- Implemented Framer Motion and GSAP to enhance web page aesthetics and interactivity, while also optimizing performance by 50% on Girl PowerX's profile page through server-side rendering and caching.

- Collaborated with cross-functional teams to streamline project workflows and mentored junior developers and interns, assisting with coding challenges, fostering a collaborative learning environment.

Executive Operations | Soteria Command Center, Gurugram *(Jan '22 - Sept '22)*

- Worked in a monitoring team and monitored our client's branches with AD tool and sent reports to clients after mapping the data as per requirements.

Customer Support Associate | Cogent E-Services, Noida *(Oct '20 - Apr '21)*

- Worked as Customer Support Associate of Flipkart and used to handle customer queries.
